1 CHILDS: Okay.

2 ABDUL-LATIF: I mean.

3 CHILDS: Two RPGs. That might take, well, I'm saying it might take about a month. And  
4 I'm gonna guess -- this is guessing obviously, I haven't seen the, haven't seen the  
5 price on those, but I'm gonna guess probably a grand a piece.

6 ABDUL-LATIF: Well, Akhi that gives us time.

7 CHILDS: That's over here. Now obviously if we were in another country, we could get  
8 them for a lot cheaper, 'cause they're-they're everywhere over there. Over here  
9 in the States, the only place that you can find 'em is on a military base. So that  
10 means he has to have an inside guy on the base to get these. 'Cause things come  
11 up missing all the time. You hear about it in the news all the time. Weapons  
12 come up missing all the time in the military. So he'd have to have his inside guy  
13 get 'em off-a the base. And so that might be why they cost so much because of  
14 all the risk involved in that.

15 MUJADIDH: Yeah.

16 ABDUL-LATIF: Like being, aw shoot, man. We're not only trying to-- we're not only trying to  
17 just kill people. We're trying to send a message.

18 CHILDS: Right.

19 ABDUL-LATIF: We're trying to get something that's gonna be on CNN and all the w-world -- all  
20 over the world, let people know --

21 CHILDS: Oh, we're gonna be frontline, that's for sure.

22 ABDUL-LATIF: That's-that's what we want. Not to be praised ourselves but to say, look, the  
23 Muslims, they not gonna allow this no more for you to go to their lands and kill  
24 and slaughter their people.

1 ABDUL-LATIF: But, you know, Alhamdulillah. I mean they got the brother, the ma-- the big  
2 -- the big boss, his name's Hidar.

3 CHILDS: Mm-hmm.

4 ABDUL-LATIF: I mean, you know, he-- He's a good Muslim but he's not really, you know -- you  
5 know, like he don't wear a beard, you know.

6 CHILDS: He's not like us. Eh-- You told me -- I j-- I just want to make sure I understood  
7 you. The other day when you were describing um, uh Wali to me, you said he's  
8 clean shaven?

9 ABDUL-LATIF: The last time I saw him, yeah. But it's been over a year.

10 CHILDS: No beard or anything?

11 ABDUL-LATIF: He's trying to grow it when I talked to him.

12 CHILDS: Okay, okay, just making certain.

13 ABDUL-LATIF: I mean these brothers -- this-- these brothers, all they talk about is money up here.  
14 That's it.

15 CHILDS: Yeah.

16 ABDUL-LATIF: And that -- I hate that.

17 CHILDS: Have you figured out how you'd like to uh, make the statement known on the  
18 mission?

19 ABDUL-LATIF: Statement known?

20 CHILDS: The purpose behind the mission. I mean we know what it is but I mean for the  
21 media.

22 ABDUL-LATIF: Well, the purpose is basically this, you know.

23 CHILDS: I mean but how is the media gonna know whether we live or whether we die?  
24 How's the media gonna know?

1 ABDUL-LATIF: Well, we can either type a letter and carry it with us. Or if we live, then we can  
2 tell 'em. I mean I --  
3 CHILDS: That's how they'll track us down if we do! If we tell--  
4 ABDUL-LATIF: I haven't thought about it that -- yet, you know.  
5 CHILDS: Give that -- give that some thought and uh--  
6 ABDUL-LATIF: I mean look, hey, you know, you're invading our land. You're stealing our  
7 resources. You're locking up our brothers and sisters. You're raping our sisters  
8 in Guantanamo Bay. You're in, you're in Islamic countries, even when you're  
9 asked to leave, you won't leave. And you're killing people, man. You know,  
10 you've seen those tapes on YouTube.  
11 CHILDS: Mm-hmm.  
12 ABDUL-LATIF: You see what the (inaudible) are doing over there.  
13 CHILDS: So you wanna -- and you'd like --  
14 ABDUL-LATIF: We want -- we want to summarize that.  
15 CHILDS: Right, type up as a letter or make a video, or, and just drop the disk there? Or  
16 how do you want to do that?  
17 ABDUL-LATIF: I mean, you know, we can -- we can make a DVD or something and just have it  
18 in the car with us. 'Cause they're gonna search anyway.  
19 CHILDS: Oh, yeah, everything's gonna be searched.  
20 ABDUL-LATIF: And they'll find the DVD and then we write on It: "The reason we killing your  
21 people" or something.  
22 CHILDS: Right.  
23 ABDUL-LATIF: Oh we want, we going to this bank right here.  
24 CHILDS: Yeah, I see it.

- 1 CHILDS: You know, you know--
- 2 MUJADIDH: Whoever's getting laid down get laid down.
- 3 CHILDS: You know, there's only three options that were given to us. I mean, Allah Aza  
4 Wajal said in the final-- the final declare of jihad, 'cause you know, it came to us  
5 in different stages, and he says find 'em wherever you-- I mean kill them  
6 wherever you find them.
- 7 MUJADIDH: Yup. And these are- these is nonbelievers, Akh.
- 8 CHILDS: These are-- they're, they're not-- they're not just nonbelievers. They're  
9 mushrikun.
- 10 ABDUL-LATIF: Most- most of- most of them people that are going into MEPS getting out of high  
11 school or whatever and then going into the military, a majority of them are going  
12 to Afghanistan right now and Iraq.
- 13 CHILDS: Mm-hmm.
- 14 ABDUL-LATIF: They're being sent to the front lines to kill our brothers and sisters over there. I  
15 want, I'm gonna, I'm gonna go get my computer right now 'cause I'm gonna  
16 show you some of these videos of what I been talking about, you know? But--
- 17 CHILDS: But, I mean from what he was saying, what do you think about that? Because  
18 we're told basically in Islam you have three choices now. You submit, you pay  
19 the jizya, or you die. Right?
- 20 ABDUL-LATIF: Sounds nice.
- 21 CHILDS: That's true though, right?
- 22 ABDUL-LATIF: Yeah.
- 23 CHILDS: So as he said, why not just lay 'em all down?
- 24 MUJADIDH: That's less --

- 1 ABDUL-LATIF: How many surahs do you know?
- 2 CHILDS: Not counting out Fatihah-- three, four, right now. Still, cause I-- Allah took a lot  
3 of it away from me, so I'm trying to study 'em again.
- 4 ABDUL-LATIF: Well I know 20.
- 5 CHILDS: Humdalallah.
- 6 ABDUL-LATIF: I'm working on two more. Both of them are short stories. Right now I'm-- right  
7 now I'm trying to work on memorizing, um-- [inaudible].
- 8 CHILDS: So that in and of itself makes you, because the prophet Sallallahu Alaihe wa  
9 Sallam said he who has most Qur'an.
- 10 ABDUL-LATIF: Well, you know, I mean, hitting the MEPS center, it sounds good to you. It  
11 sounds good to me. Insha'Allah th - there are no innocent civilians in the area.  
12 You know. Imagine-- imagine how many young Muslims, after this, if we're  
13 successful at it, will try to hit these kinds of centers. Imagine how fearful  
14 America will be. And they'll know they can't push the Muslims around.
- 15 CHILDS: Right.
- 16 ABDUL-LATIF: You know, but... Muslims, you know... you know, you know what I notice? Is  
17 that they don't want to get involved in nothing like that, unless they can make a  
18 change right away.
- 19 CHILDS: I, I have heard that.
- 20 ABDUL-LATIF: They want the Muslims to take over the world in five minutes, or we don't want  
21 to do nothing about it.
- 22 CHILDS: Well, you know, Rome was built in a day.
- 23 ABDUL-LATIF: Anything we did, Allah did it quicker.
- 24 CHILDS: Uh, I mean, that he does.

2 this whole thing is completed, so...

3 MUJAHIDH: All right.

4 ABDUL-LATIF: Yeah, don't worry about anything, man. We gonna look out for you, man. So,  
5 uh... What about you? Are you ready?

6 MUJAHIDH: Yeah, I'm ready.

7 ABDUL-LATIF: There's some videos I want you to see, man. I want you to see why, you know –  
8 I be-- why, uh, I'm joining up in this project. I want, I wanna show you some  
9 things that the U.S. military's done to our innocent Muslim brothers in  
10 Afghanistan and in uh – and in Iraq and other parts of the world. I got some stuff  
11 on video.

12 MUJAHIDH: All right. But what do they do, they have other members of the military film it  
13 and then they post it up on the, um, internet for people to see?

14 ABDUL-LATIF: Well, well, well, basically, uh, there, there are a whole bunch of small videos --  
15 there are a whole bunch of short videos. But one video in particular, um, is um --  
16 I actual-- I actually have it up right now. Let me-- let me dig it out right quick,  
17 man. Uh . . . uh yeah like last week uh -- I went ahead-- I went ahead and  
18 collected a bunch of video of U.S. military personnel, you know, looked up on  
19 certain things, and they're committing crimes against um -- against Muslims  
20 around the world. There's a -- ah, let's see. Where is it . . . You remem, remem,  
21 remember that US kill team I was talking to you about? Hello?

22 MUJAHIDH: Yeah. I thought you was talking to somebody else. Yeah, I remember that.

23 ABDUL-LATIF: Check this out. I want- I want you to listen to something. This is a -- this is a  
24 mov-- this is a short video about some American soldiers imitating the, uh, the

2 CHILDS: Okay. Yeah. All right. Let me, uh--

3 ABDUL-LATIF: I'll walk you to your car. Does that sound good to you, or?

4 CHILDS: Yeah, it does. It actually sounds like a (inaudible).

5 *(walking, inaudible conversation)*

6 ABDUL-LATIF: Subhan'Allah. Man, I'd be, I'd be lost by myself, man, you know?

7 CHILDS: Well and that's why, that's why I was saying. You uh, you develop, uh, uh, not  
8 the plan, you-you develop the goal. You develop the--

9 ABDUL-LATIF: The goal is to kill every single, uh-uh soldier in there, and-and every recruit in  
10 there. That's what it is.

11 CHILDS: And that's, that's also the objective. And, it goes hand and hand. And then like I  
12 said, we sit with uh, with dude and uh, they're waiting for me to pull out. We sit  
13 with dude, and, I mean, with uh, the akh, over the phone or somehow, you know,  
14 we'll have to speak somehow without, uh, giving things away and --

15 ABDUL-LATIF: Get a total, because that's kind of what we need to get some guns and get some  
16 clips. Get the exact price down to the number, and I'll come up with something.  
17 And then we'll know how much money we have left over for bullet proof vests,  
18 you know, and such and such. That's what I want. I want numbers down to the  
19 dollar. And then we'll know what we're doing.

20 CHILDS: Okay. Insha'allah. All right akhi. (arabic) Uh, well, I'll let you know tomorrow  
21 if we can, uh, get together Wednesday for that.

22 ABDUL-LATIF: Yeah, that's uh – I-I have to go to Redmond for an hour to clean, clean a school  
23 right quick.

1 ABDUL-LATIF: That's what we needed to see. There's cameras on the roof there, see?

2 CHILDS: Oh yeah.

3 ABDUL-LATIF: So the thing is, the security guard he might see us when we come up, but we  
4 should go look at the other side.

5 CHILDS: Well no. Diagonal Street is right here. Or no. Is it here, or is it-- I don't even  
6 know where it is. Ah, he must be taking people to uh the boot camp.

7 ABDUL-LATIF: 'No, uh, basically, uh, they go to the recruitment office and sign all the papers,  
8 you know. And then, uh, then basically you go to a hotel so they can have you-  
9 everybody together, and then they wake you up at about three or four in the  
10 morning and then you come up here, you get breakfast-

11 CHILDS: So it's like chain-it's like the chain gang.

12 ABDUL-LATIF: (inaudible)

13 (Car door opens and slams)

14 ABDUL-LATIF: It doesn't- I mean – that, that guard, it don't matter if he's armed. We'll just  
15 kill him right away.

16 CHILDS: Right, yeah it didn't look like. I highly doubt (car door slams) he's a, uh- okay,  
17 see if I can turn this on-

18 ABDUL-LATIF: It don't matter-- it don't matter who's in there.

19 CHILDS: There we go.

20 ABDUL-LATIF: It don't matter what guard it is. We-- we kill him first. 'Cause the guard, he, he  
21 has a-- he he umm – there's the highest risk of him having a weapon.

22 CHILDS: And not just -- but what I'm saying though, even if he has a weapon, it's probably  
23 just gonna be a handgun. He doesn't look like he's military security. He's  
24 probably just a rent-a-cop.

2 ABDUL-LATIF: Well, you know, I need to call MEPS again, because I-I want, I also want to find  
3 out what days the recruits are coming there, whether it's every day or whether it's  
4 a certain day. 'Cause we want to come there on a day where-where all the  
5 recruits are there processing.

6 CHILDS: Right.

7 ABDUL-LATIF: It's very important. Because I don't want to come there just to kill an old guard.

8 CHILDS: Come back -- come back in just in case there's ears.

9 ABDUL-LATIF: (car door slams) I don't want to go there just to ki- kill some 80-year-old guard.

10 CHILDS: Right.

11 ABDUL-LATIF: You know, I'm trying to make a point with the-- Well, uh, Insha'allah. I got to  
12 go to Redmond tomorrow, but I'll be back around 6 o'clock. I got to go clean the  
13 mosque tomorrow.

14 CHILDS: All right.

15 ABDUL-LATIF: After dua time. What you doing tomorrow?

16 CHILDS: Uh, I'm out at, uh, Yarrow Point and then I got to make a run to Alki.

17 ABDUL-LATIF: Yarrow Point, that's out in rich boy property.

18 CHILDS: It is. It's next door to Bill.

19 ABDUL-LATIF: Bill what?

20 CHILDS: Gates.

21 ABDUL-LATIF: Okay.

22 CHILDS: Not the house I'm working on. Just the, uh, neighborhood is next door to his

24 ABDUL-LATIF: Can this truck go over 60 miles an hour?

3 ABDUL-LATIF: Well if we are ge-- if we are staying at this place, we can just get grenades, man.

4 Remember how I was telling you about how we can throw the grenades around

5 the building?

6 CHILDS: Yeah he was asking about that. Uh, where's that map at again? Let's see where

7 you -- 'Cause he was thinking about the confined spot of it. So, just to show him

8 where we were gonna drop 'em at.

9 MUJADIDH: There in that bag.

10 ABDUL-LATIF: We go-- but, we gonna get the commander.

11 CHILDS: I mean, you can't miss him. He will be in uniform. He's always in uniform.

12 MUJADIDH: (inaudible)

13 ABDUL-LATIF: And -- and the thing -- and the thing is, on Mondays and Tuesdays those are the

14 main days that they do full processing for soldiers to get ready to go to boot

15 camp. So, if we do something like this, it's gonna be on a Monday or a Tuesday.

16 No other day than that. We're not going there just to kill the security guards.

17 There's no sense in that.

18 MUJADIDH: But, if he's got to go, he's got to go. He's gonna be the one that's gonna meet us

19 at the door.

20 ABDUL-LATIF: That's not what I'm saying. We're not there to just kill them.

21 CHILDS: Just for them. In other words, we want to be there when there's more people

22 there.

23 MUJADIDH: Right.

24 ABDUL-LATIF: When there's more people and we-- and I don't, I-I don't have any estimates. I

4 ABDUL-LATIF: Because I agree with you on that, that's true.

5 CHILDS: Okay.

6 ABDUL-LATIF: You know, plus--

7 CHILDS: Now, now, where-where did you meet the brother at? Through-through Yusef?

8 ABDUL-LATIF: No. I, I can't remember where I met him. I met him so long ago. But, Yusef  
9 likes him. Yusef knows him very well.

10 CHILDS: Yeah. You were saying they (inaudible) That's why-- I'm trying to remember if  
11 I had ever met him, but I don't--

12 ABDUL-LATIF: He, he has, he has my skin color, clean shaven, he's bald-headed, sort of. You  
13 know, he has --

14 CHILDS: Bald headed as in shaved or going bald?

15 ABDUL-LATIF: I don't know. Not, not a-- not white-boy bald, man, just--

16 CHILDS: I mean, hairline bald or like you? Or--

17 ABDUL-LATIF: Yeah, like, yeah-- looks sorta like Brian Gumble.

18 CHILDS: Okay. Humdalallah-- um, so we-- right now, here's, here's the other, here's the  
19 other question I was just thinking about. Humdalallah, I mean, this is (Arabic)  
20 but, uh, did, what-- how did you approach him on this without, uh, him tweaking  
21 out on you?

22 ABDUL-LATIF: Man, me and him, we been friends for a long time. We talk a lot about it.

23 CHILDS: So this is something that, uh, has been in-in, uh in the works?

1 ABDUL-LATIF: This has been in discussion off and on for a while, you know? You know, and-  
2 and you know--

3 CHILDS: And he's a hundred percent down? You don't-- You have, you have no doubts  
4 about him?

5 ABDUL-LATIF: I have no-- I have no doubts about him. I mean, you know, he's exactly, he's,  
6 he-- Akhi, he is exactly the type of person we need. He's crazy. He doesn't have  
7 any, uh-- anything holding him up, kind of like I do with a family. You know  
8 what I'm saying. He's willing to just drop everything and come up here. He, he  
9 has a young son.

10 CHILDS: But you were saying something about--

11 ABDUL-LATIF: But his mother, she takes care of him. You know what I'm saying. But me, it's  
12 different for me, because you know Binta as well as I do.

13 CHILDS: Right.

14 ABDUL-LATIF: Th- the- She-- she's a good Muslim, but she can't wipe her own ass without help,  
15 you know what I'm saying, basically. You know what I'm saying. So, that's why  
16 I'm in the position that I'm in. (inaudible) you take care of things, you know,  
17 humdalallah.

18 CHILDS: Did you find out when Ottoman gets out?

19 ABDUL-LATIF: Um, I'm gonna, I'm gonna write him tomorrow. But I'm hoping (inaudible).

20 CHILDS: Where, where's he at?

21 ABDUL-LATIF: He's in, he's in Chelan County over in the middle of the State.

22 CHILDS: Okay. For what, DUI?

4 ABDUL-LATIF: And, it's a good target.

5 CHILDS: Yeah, I mean.

6 ABDUL-LATIF: That's where the -- that's where recruits --

7 CHILDS: It's a very viable target. I mean, who's -- who's gonna expect it?

8 ABDUL-LATIF: Suppanallah. I'm not --

9 CHILDS: You know?

10 ABDUL-LATIF: I'm not -- I'm not, I'm not, I'm not trying to, you know, flip the script. I'm just  
11 making some conversation.

12 CHILDS: What -- what do you mean?

13 ABDUL-LATIF: Nah, I-I wasn't, I wasn't trying to say, "Oh, never mind it. Let's just do  
14 something different."

15 CHILDS: Oh, oh, oh, oh, oh. Well, the only reason I -- the only reason I said that is 'cause  
16 when you first brought it up it was Lewis, then it flipped to McChord, then it  
17 flipped to MEPS, and so I was saying let's stick -- let's stick with this one. This is  
18 the— actually, I think this is – this is the easiest one of all. It's not downtown.  
19 It's an industrial area, so it's not gonna be heavily populated. Um--

20 ABDUL-LATIF: It'll take a few minutes for the cops to get there.

21 CHILDS: Definitely. Uh, two, it's um -- it's not a military base, you know, where you have  
22 all the guards and everyone's at, you know, whatever -- def com 5 – and, or what  
23 do they call it, uh, uh terrorist alert orange or whatever, so everybody's gonna be

9 an entire house. Now look at this. She got hijab on, and look how tight her pants  
10 are.

11 MUJADIDH: It's not that bad though.

12 CHILD: Well true. She's not uh as tight as some I've seen. You know who seem to be the  
13 worst at that, though, are the Somali sisters. They don't wear pants usually.  
14 They'll wear skirts, but that skirt'll be so tight.

15 MUJADIDH: Yeah.

16 CHILD: All right. So need to get a box, I know that. Yeah we're gonna be picking up uh  
17 our primaries tomorrow.

18 MUJADIDH: Okay.

19 CHILD: I still say the brother should just roll with me and make life simple.

20 MUJADIDH: Yeah, I told you he's difficult sometimes.

21 CHILD: Oh I know. He said traffic was bad so we're gonna take the lower bridge. Hey  
22 that sounds like almost being in New York, huh?

23 MUJADIDH: Yeah, the lower bridge.

24 CHILD: So since I was the uh, the ferret obviously, I don't know. Whose-whose was the

1                           uh, original idea. Was it yours or his?

2 MUJADIDH:           Abdul called me and let me know what was going on. Asked me to join him. I  
3                           told him yeah.

4 CHILDS:              Didn't have to ask twice, huh?

5 MUJADIDH:           No.

6 CHILDS:              That's how it was with me. He came to me. He was like, brother, I got uh, I got  
7                           this mission. X, Y, Z. But we don't have guns. I was like, okay. You know, I  
8                           know people. He was like, yeah, I know. That's why I'm asking you. So uh, it  
9                           was- uh, you know, just started talking to my people and uh, going from there.  
10                         And did a show and tell the other day. Oh, he loved it.

11 MUJADIDH:           Yeah.

12 CHILDS:             He actually got to choose which one to, uh, he wanted. Uh, I'd like to avoid  
13                         downtown for now. See I took a day off work to uh be able to meet you and, and  
14                         hang out with you.

15 MUJADIDH:           Yeah.

16 CHILDS:             So, yeah, he wants to uh-- I asked him about the plan, if he mentioned anything  
17                         about the actual strategies uh we're gonna use. He said he hasn't told you  
18                         anything obviously 'cause it was on the phone. I don't know how much you  
19                         know.

20 MUJADIDH:           I just know about the target, pretty much.

21 CHILDS:             Okay. But uh, tonight, Insha'Allah, after he gets off we'll uh, get together and  
22                         we'll go through it. So how long ago did you uh leave Seattle?

23 MUJADIDH:           About two, three years ago.

24 CHILDS:             Okay. How long were you up here for?

beautiful thing, man, about working for myself. I don't have to take days off and work for kaffirs all day sick, you know. Just --

3 MUJAHIDH: Yeah.

4 ABDUL-LATIF: -- a couple things and come back to the house, you know. I'm just chilling  
5 watching Lockup right now on MSNBC.

6 MUJAHIDH: Yeah. I think I saw that one time.

7 ABDUL-LATIF: That's a good -- it's a good show, man. I like it.

8 MUJAHIDH: That's gonna be us, huh? We gonna be in lockup.

9 ABDUL-LATIF: We'll probably be in our grave, bro.

10 MUJAHIDH: Yeah. One or the other.

11 ABDUL-LATIF: Well, hope you're looking forward to it.

12 MUJAHIDH: Yeah, I am. Actually I am looking forward to it, man.

13 ABDUL-LATIF: Hey, if they don't kill us, then we'll get three square meals a day. (laughs)

14 MUJAHIDH: Yeah. Yeah.

15 ABDUL-LATIF: But, you know, insha'Allah we could-- insha'Allah there are things that we need  
16 to talk about, that we can't talk about on the phone, so when you get here we gon-

17 MIJAHIDH: Yeah.

18 ABDUL-LATIF: You know. And then insha'Allah I got the-- I got a gym here at my complex, so  
19 we can work out and all that and get in shape.

20 MUJAHIDH: Yeah, 'cause I'm fat, man. I'm fat, man. Remember when I was skinny when I  
21 left? I'm fat now

22 ABDUL LATIF: Like fat-fat, or you just got a little fat?

23 MUJAHIDH: I got fat. I weigh like 220 some pounds, man. I got a gut, man. Your stomach  
24 probably smaller than mine.

1 CHILDS: Okay, so-- Yeah, so like you were saying, I mean, you wanted me to go in. And  
2 that's, that's not a problem. I mean, when do you want that to happen?

3 ABDUL-LATIF: As soon as you got some time. Just maybe just stop by-- maybe just stop by on  
4 your way home from work, or go during your lunch—

5 CHILDS: Well, it's gonna have to be before five, yeah, it's gonna have to be before five,  
6 'cause they don't close-- I mean, they close exactly at five. And, you know,  
7 federal government closes promptly at five.

8 ABDUL-LATIF: (laughs) Yeah. You know, it's kind of funny, too. The government, they're  
9 talking about taking a vacation and shutting down the government. Huh? At a  
10 time-- at a time when they're provoking war with the rest of the world.

11 CHILDS: Right.

12 ABDUL-LATIF: I find that-- I find that-- I find that to be kind of odd. Suppanallah.

13 CHILDS: Okay. Hey, now, now you said you weren't, you weren't flipping the script. But  
14 I just want, I--you know, I want to make sure that you, this is what you're down  
15 for. You're, you, you know I'm not gonna hold it against you if you say, "No,  
16 let's do whatever." But I just want to make sure that, uh, this is what you want,  
17 all the way.

18 ABDUL-LATIF: Akhi, you know, we trying, we trying to do what we can to wake the Muslims up,  
19 to say, look, it's time to defend your religion. All I, all I, all-all I'm saying is let's  
20 make sure that, you know, we don't just run up to the front door and get killed.  
21 That's all I'm saying.

22 CHILDS: Right, I understand, I understand that part. I'm just asking you, okay, if this is  
23 what you want. Do you want to- do you want to go in here, and do you want to  
24 do this as you were saying? Or do you want to-- do you want to call it off? Or,

1 you know, I'm not gonna hold it against you, 'cause it's order of Allah.

2 ABDUL-LATIF: (laughs) Insha'Allah. Let's, uh, let's work on this. Let's make sure it's right. You  
3 know what I'm saying? I mean, if anything serious happens, like, you know, if  
4 we know the FBI's watching us, for example, then you know, we'll-we'll call it  
5 off. But, you know, let's just, you know, proceed as planned. Let's make sure  
6 that we do this right.

7 CHILDS: Okay.

8 ABDUL-LATIF: That's all I'm-- That's all I'm saying, so you know.

9 CHILDS: Okay. Insha'Allah to Allah.

10 ABDUL-LATIF: You know, I mean shoot, man, if-if you or I -- hold on, let me put you on  
11 speakerphone. If you or I or Wali, if any of us feels like, you know, something is  
12 happening or something like that, you know, we got to do something about it, but  
13 you know.

14 CHILDS: Well, yeah, of course. But you know, I'm -- I'm ready for this.

15 ABDUL-LATIF: I'm ready for this too, akhi. I am, you know, and, uh, we have a little time, you  
16 know, before we do this. So let's just make sure that, uh, everything's correct,  
17 everything's right. You know, I got to call MEPS tomorrow and check their  
18 schedules also. 'Cause like I said, I— 'Cause like I said, I don't want to roll up  
19 in there just to kill a couple of females and a security guard. That's pointless, too.

20 CHILDS: Right. Right.

21 ABDUL-LATIF: So everything has to be done with precision, the right time, the right day. The  
22 program is on point, that's what it is. That's what I'm looking for. That's what  
23 we're all looking for.

7 CHILDS: A good day to kill. A good day to die. Now you know, I'm-- let me--let me just  
8 put this out here, though. You know, if either of one-- if either one of you  
9 brothers want to step out now, back away. It's okay. I won't hold it against you,  
10 okay.

11 ABDUL-LATIF: We're not doing this for you. Good lord!

12 CHILDS: No, no, I'm not saying for me.

13 MUJADIDH: You sounding like: "You wanna leave, you can leave."

14 CHILDS: No, no. I'm just—No--

15 ABDUL-LATIF: You can leave, too.

16 CHILDS: I know. We all have our opportunity. But this--this is what I'm saying --

17 MUJADIDH: I'm in, man.

18 CHILDS: -- this is our last chance.

19 MUJADIDH: I'm in it, bro.

20 CHILDS: This is our last chance to step away.

21 ABDUL-LATIF: What you mean this is my last chance? I gave you all my money, man, for this  
22 thing, man. What you think?

23 CHILDS: Okay.

24 MUJADIDH: He was going to make hajj.

- 1 CHILDS: I know.
- 2 MUJADIDH: He gave you the hajj loot for this, man.
- 3 CHILDS: I know, I know it. I-I chunked out a-- I chunked out a chunk too.
- 4 ABDUL-LATIF: Yeah, I didn't see any of that money, but we'll see.
- 5 CHILDS: You'll-you'll see it tomorrow.
- 6 ABDUL-LATIF: Mm-hmm.
- 7 CHILDS: You'll see the outcome of it tomorrow when you are going like, "Ahhh." And
- 8 you open the-- you like, "Oh, dude, ah, yeah, yeah."
- 9 MUJADIDH: That's right.
- 10 ABDUL-LATIF: If any of us gets caught and we survive.
- 11 CHILDS: Or anything? Oh you mean, after this?
- 12 ABDUL-LATIF: If, if we, if, like if we-- like if we don't get killed and we get arrested.
- 13 CHILDS: Mm-hmm.
- 14 ABDUL-LATIF: Don't ever say anything to the police.
- 15 CHILDS: Umm-mm.
- 16 ABDUL-LATIF: 'Cause they gonna tell you, "Oh, you'll feel better. Oh, we can cut you a deal.
- 17 Oh." Don't say anything.
- 18 MUJADIDH: Yeah.
- 19 ABDUL-LATIF: Because they're gonna kill us anyway.
- 20 MUJADIDH: Right.
- 21 CHILDS: Mm-hmm.
- 22 ABDUL-LATIF: Just say, "La ilaha ilallah." That's it.
- 23 MUJADIDH: That's it.
- 24 ABDUL-LATIF: Don't, "Oh, well maybe I can get twenty five years," you know.

1 MUJAHIDH: Nah, the story behind GI Joe and Cobra? It's like the, um... It's like the United  
2 States Army versus Islam.

3 ABDUL-LATIF: That's the only -- That's -- That's the only way that they could win, man, is by  
4 drawing a cartoon about it. Can't win for real.

5 MUJAHIDH: Yeah.

6 ABDUL-LATIF: You know? I mean, the cartoon you can do anything you want, but, you know,  
7 hey, what can I say?

8 MUJAHIDH: Yeah. I'm a little nervous, man.

9 ABDUL-LATIF: What you nervous about, brother?

10 MUJAHIDH: Just coming up there, man. Everything's was going smooth for me down here.  
11 Now I gotta come up there. I just changed. You know what I'm saying? I ain't  
12 been in Washington for of couple years. I know a lot been changed.

13 ABDUL-LATIF: Uh, well, you know, that's what life's about, man -- changes.

14 MUJAHIDH: Yeah.

15 ABDUL-LATIF: You know, I mean, if-if-if you can get a better opportunity somewhere else, you  
16 should do it, man, you know.

17 MUJAHIDH: Yeah.

18 ABDUL-LATIF: I mean, you know, you could always change your mind if you wanted to, but

19 MUJAHIDH: Nah, I'm not gonna change my mind.

20 ABDUL-LATIF: Yeah, well.

21 MUJAHIDH: I just wanna make sure be able-- that I'm gonna be able to get out there and hold  
22 everything down, you know what I'm saying?

23 ABDUL-LATIF: Akhi, right now, you know what I'm saying, you know? Just come up here, you  
24 know what I'm saying? We gonna help you as much as we can. We gon-- we

1                   gonna help you get settled. You know, what I'm saying? Where you can ju--  
2                   where you don't -- where don't where -- where you don't -- where you don't have  
3                   to at least worry about your basic needs and then where we can concentrate on  
4                   what we're up here for. You know?

5 MUJAHIDH:       Yeah.

6 ABDUL-LATIF:    We're not gonna -- we're not -- We're gonna do this the right way. I gotta gym  
7                   where I live at. We can get (inaudible). We gonna do-- we gonna do everything  
8                   we can. We gonna plan things. (Inaudible)—camp for a couple times. You  
9                   know, and do some workouts and then, insha'Allah, we'll see what happens.

10 MUJAHIDH:      Okay. Insha'Allah. Yeah, man.

11 ABDUL-LATIF:    Akh, just keep your head-- keep your head up, man. Put your trust in Allah,  
12                   man, that's all I can tell you.

13 MUJAHIDH:      Yeah, that's what I'm doing. That's what I'm doing.

14 ABDUL-LATIF:    I mean, basi-- basically, you know, uh, I ha-- I had -- I had a whole bunch of  
15                   money saved for Hajj and I just put it all into this project, man, so I ain't got no  
16                   money either. I, I put a lot of faith in that too, man.

17 MUJAHIDH:      Yeah.

18 ABDUL-LATIF:    Well, let me call you back, man, because I'm pulling in. I got to bring some  
19                   groceries inside.

20 MUJAHIDH:      All right. Insha'Allah. Salamu alaikum.

2 contacts. I don't know his contacts. I'd rather keep it that way.

3 ABDUL-LATIF: Right.

4 CHILDS: You know? What do they call that? Plausible deniability? But, you know, um...  
5 well, I'm sure he can get, I'm sure he can get the weapons in, I don't know, a  
6 week, ten days.

7 BINTA: (in background) Khaled you need to eat something (inaudible)

8 CHILDS: It depends on the price.

9 ABDUL-LATIF: How much- how much are they gonna (inaudible)

10 CHILDS: Uh, he didn't give me a price on that. He said he'd have to, uh, look into to, to  
11 see what he could get. You know, but he told me (inaudible) twelve hundred for  
12 three of them. I think that's ri- I think that's ridiculous.

13 ABDUL-LATIF: Why is that ridiculous?

14 CHILDS: Four hundred a piece for three of them?

15 ABDUL-LATIF: Oh four hundred for one?

16 CHILDS: Yeah. Well, I mean how much, how much can you come up with these days?

17 ABDUL-LATIF: Basically, basically, you know, I had eight hundred with the brothers I put down  
18 money for hajj and I'm not gonna make it there, you know what I'm saying? I'm  
19 cool with that. (inaudible) I'll have another six hundred, uh, so I'll have fourteen.

20 CHILDS: And how much do you need from me? Uh, just, a number, a number so I can,  
21 you know, start planning (inaudible) instead of paying this instead of paying that  
22 (inaudible) So if you can give me a number that will help me figure out  
23 (inaudible) 'Cause obviously I'm not gonna need to buy goodies and everything.

1 ABDUL-LATIF: Like a command center. Or an off--the office of the colonel or sergeant or  
2 something. Something to that degree.

3 CHILDS: Okay, uh. Well, so with that in mind. You're, you're not gonna find it up there  
4 most likely but-- With that in mind, that lays out a target, right?

5 ABDUL-LATIF: Right.

6 CHILDS: So now, what is the objective?

7 ABDUL-LATIF: The objective is to go in there and take out any- anybody wearing green or a  
8 badge or colors. That's it right?

9 CHILDS: Well I mean, I--you don't—I well, I mean I know that. But, uh, how do, how do  
10 we work this? Um... In order to lay out a plan, like I was saying, we need a--we  
11 need a plan to—‘cause there's one thing going in half blind. There's another thing  
12 going in totally blind.

13 ABDUL-LATIF: What about this?

14 CHILDS: What's that?

15 ABDUL-LATIF: What about hitting a, what about hitting a MEPS, MAPS, MEPS office?

16 CHILDS: A what?

17 ABDUL-LATIF: MEPS.

18 CHILDS: MEPS, what's MEPS?

19 ABDUL-LATIF: Military recruiting. You know, where you go--

20 CHILDS: Right.

21 ABDUL-LATIF: -- and you have to go for your physical and take the ASVAB test and all that.

22 CHILDS: So a recruiter's office?

23 ABDUL-LATIF: Something like that. No, no, no, not like a recruiting office like at the mall, you  
24 know.

1 CHILDS: Oh.

2 ABDUL-LATIF: No. The building where you spend the whole day in there--

3 CHILDS: Well where is this at? Is that on the base? Is that off the base? Where is it at?

4 ABDUL-LATIF: Like MEPS, Military Entrance Processing Station. They call it MEPS is what

5 they call it.

6 CHILDS: Wow, I didn't even know that.

7 ABDUL-LATIF: That-that-that's what you do when, when you go in an office you sit--

8 CHILDS: Is that before boot camp?

9 ABDUL-LATIF: Yeah, 'cause you got to take the ASVAB test, and then they got to do a physical

10 on you.

11 CHILDS: So the nearest one here is in Portland.

12 ABDUL-LATIF: No. They got one in Seattle, too.

13 CHILDS: Hmm, put it up there. See if that, uh, makes a difference.

14 ABDUL-LATIF: Because the thing is, we know that almost everybody in there is either going

15 military or they are military. And some of those people, they want to go to Iraq

16 and Afghanistan. You know, it's a confined space. Not a lot of people carrying

17 weapons, and we would have an advantage.

18 CHILDS: So, (inaudible) we could get--

19 ABDUL-LATIF: And we wouldn't need grenades or anything. We could just kind of (inaudible)

20 with what we need. And we'll get, and we'll get more targets.

21 CHILDS: Okay.

22 ABDUL-LATIF: How do you feel about that? Okay Military Entrance Process, Third Avenue in

23 Seattle, it's right downtown.

24

1 CHILDS: 2901 Third Ave. So it's number A. So zoom in on number A. Just double-click  
2 on it or something. Oh it's going to actually bring you up through the uh-. Well,  
3 we know what downtown looks like. What's that off of? Denny and-- Denny and  
4 Boren?  
5 ABDUL-LATIF: Denny and Broad.  
6 CHILDS: Denny and Broad. Okay, off Denny.  
7 ABDUL-LATIF: Let me go bra- let me go back. And the thing is, you know, we can just drive  
8 right in there and just run right in there. But if we could -- If we could get a look  
9 at it, if we could get a look at it from a satellite it might give us a better idea-  
10 CHILDS: Right.  
11 ABDUL-LATIF: -- of what businesses are around it. You know what I'm saying? And, it's a easy  
12 place to hit because if you're going to um,-- if you're going into the military, from  
13 the time that uh— oh, the D is blocking it so--  
14 CHILDS: Right, so what we do is this, first and foremost. Let's zoom in one more  
15 (inaudible) and scroll down. Your internet's kind of slow, but don't move it  
16 around just yet. (inaudible)  
17 ABDUL-LATIF: You know, and-and this would be a way where we wouldn't end up killing  
18 anyone that's innocent.  
19 CHILDS: Okay.  
20 ABDUL-LATIF: The advantage (inaudible)  
21 CHILDS: That took us to uh Seattle/Bremerton.  
22 ABDUL-LATIF: (inaudible) And there's the boat – 'cause there's the boat route.  
23 CHILDS: The ferries yeah. It's uh--  
24 ABDUL-LATIF: There it is over there.

1 CHILDS: Oh okay. No, that's West Seattle. It just Says, "West Seattle." You're not, uh...  
2 Hit "search" again, since it's there.

3 ABDUL-LATIF: Cause that's what you do, you know, if we were to uh, raid a MEPS office, and  
4 do that—it might deter young recruits from trying to go into the military. But  
5 that's, wait, that's Portland. Hold on a second.

6 CHILDS: Wait, wait, wait, wait. Um, it's doing its thing.

7 ABDUL-LATIF: Cause, because-because that's-that's-that's what I do. I walk into a office, "I  
8 want to join the military." Okay. You fill out these papers, and we'll give you a  
9 criminal background check. You pass and all that. And, all right. You go to this  
10 hotel. They let you stay in a hotel and wake you up at three in the morning and  
11 you go sit at MEPS all day long. And you're taking tests, physical, mental,  
12 everything.

13 CHILDS: Right.

14 ABDUL-LATIF: And if you pass, and, uh, and then they send you off to boot camp wherever that  
15 is, whether it's San Diego, or Chicago, or Florida, wherever they got boot camps  
16 now.

17 CHILDS: Right. So . . .

18 ABDUL-LATIF: It's A. It's not up there, up there on top.

19 CHILDS: Right. So, ah.

20 ABDUL-LATIF: Where, where's the street view of that?

21 CHILDS: Well, I wanted to zoom it in, just a minute, right. I never even knew this place  
22 existed.

23 ABDUL-LATIF: Yeah every ma- every major city has an office like that.

24

1 CHILDS: Hmm, I mean I drove past that Denny so many times, that's why I'm surprised.  
2 You'd thought I never paid attention. I was just driving by.

3 ABDUL-LATIF: Akhi, it's not an office that stands out and says "MEPS." No, it-it-it's not like  
4 that. But, but you know, that--that's a better target too. Cause it's right in the  
5 city. It's a place where every military person has to go through to get into the  
6 military. It sends a sign. It, it sends a message. And I'm sure you agree with me  
7 on that.

8 CHILDS: Um-hum. It definitely would.

9 ABDUL-LATIF: It's right there, man, too. Right where all the homosexuals are at, too. There's a  
10 street view of uh —oh wait- and that's what we want, we want the street view.  
11 The Five Point Cafe. It's only a couple of blocks from the Five Point Café.  
12 There's the front office. It's a big office.

13 CHILDS: Wow.

14 ABDUL-LATIF: And that's just one shot.

15 CHILDS: But what's it close to?

16 ABDUL-LATIF: Oh, hit that. See if it moves up a little bit.

17 CHILDS: It will. It's trying. What is -- what street is this?

18 ABDUL-LATIF: Uh—

19 CHILDS: What street is this right here?

20 ABDUL-LATIF: I-I can't see it--

21 CHILDS: See the green – see the green arrow? That green arrow where it's pointed at is the  
22 direction this is facing straight-on. So just to the right of that arrow is what--

23 ABDUL-LATIF: Broad Street. This is Broad Street right there.

24 CHILDS: Okay that's Broad

1 CHILDS: Humdalallah.

2 ABDUL-LATIF: So that, that-that building we saw downtown, that's not it.

3 CHILDS: Right, right.

4 ABDUL-LATIF: The place is over on East Marginal Way. So it's somewhere over there by

5 Boeing.

6 CHILDS: Okay.

7 ABDUL-LATIF: You know, uh, I tried looking it up, uh, on the overhead view, you can't really get

8 it.

9 CHILDS: You can't?

10 ABDUL-LATIF: You can't, you can't see it from uh overhead.

11 CHILDS: Did you try to zoom in?

12 ABDUL-LATIF: There's a lot of trees around.

13 CHILDS: Ah. Cover.

14 ABDUL-LATIF: But they show a corner of the building. It's two stories. You know, and it looks

15 like there's like a little, little thing that goes up, you know. Like a, like a arm that

16 lets people in and out.

17 CHILDS: Oh, you mean like a gate?

18 ABDUL-LATIF: It looks like it, but I don't know what it is. But uh I was thinking, I was thinking

19 a little, a little bit about this today. We need to get inside that building. So I

20 would-- so the idea I had was for you to kind of go undercover. Just dress like

21 this. Take the kufi off, go in there, and see what the first floor looks like.

22 CHILDS: It's possible.

23 ABDUL-LATIF: Cause I-- I just called them--

24 CHILDS: Can you, can you just walk into those places?

1 ABDUL-LATIF: We don't know until we try. It's called MEPS. Every, every enlistee to any  
2 military has to go through these places. There are many of these places all over  
3 the country.

4 CHILDS: Right, right.

5 ABDUL-LATIF: And we know that—'cause we know that they're sending most everybody that  
6 goes in there to Afghanistan and Iraq and Yemen. I called them this morning,  
7 um, 'cause we had that location. And I saw the other one. I was like, can you  
8 verify your address for me? And he gave me the address.

9 CHILDS: What do you mean you saw the other one?

10 ABDUL-LATIF: The, uh, East Marginal Way location.

11 CHILDS: Oh, they had it listed?

12 ABDUL-LATIF: Yeah.

13 CHILDS: Oh, I didn't see that.

14 ABDUL-LATIF: So they had two different MEPS locations so I needed-- I needed to figure out  
15 which one it was. So I called them and, "Can you verify the address to MEPS for  
16 me?" And, and that's what he told me. It's a little easier to hit, too. We might be  
17 able to use a RPG for that.

18 CHILDS: Yeah, well, what's the RPG gonna do, though?

19 ABDUL-LATIF: Gonna put a big old hole through that sucker.

20 CHILDS: Well, I mean, that would depend if we uh, can just walk in or not.

21 ABDUL-LATIF: Yeah, that - that's why we need you to go in undercover.

22 CHILDS: What am I supposed to do? Act like I, uh, I'm interested in enlisting? Or, I  
23 mean, what kind of cover?

24

1 ABDUL-LATIF: That's why I'm suggesting tomorrow, maybe uh, maybe-maybe-maybe we can  
2 meet somewhere like right here or something, or somewhere close to here and  
3 just drive over there. All we – all we got to do is be able to see the building from  
4 the street.

5 CHILDS: Okay

6 ABDUL-LATIF: That's it. Because the one in San Diego that I know about, it's probably ain't the  
7 same building anymore, but you can just walk in.

8 CHILDS: Okay.

9 ABDUL-LATIF: We need to know what the front desk looks like, the lobby, everything. And  
10 then you, then you can come out. And we can draw like a little map of what it  
11 might look like. You don't have to worry about the upstairs.

12 CHILDS: Okay. Well, well what if there's armed personnel upstairs?

13 ABDUL-LATIF: That's the whole point of you going in. You look for stairs, elevators, escalators,  
14 whatever there is.

15 CHILDS: Okay.

16 ABDUL-LATIF: If we know what's going on in the bottom, we can-- we can contain the top. Most  
17 of those cats, they're not carrying weapons.

18 CHILDS: Right.

19 ABDUL-LATIF: Basically 80 percent of the people there are there just to get physicals and  
20 ASVAB tests and then go to boot camp.

21 CHILDS: Okay, I'm trying to envision--

22 ABDUL-LATIF: It's not a big place, either. That's why--

23 CHILDS: No, no. I'm trying to envision if I've gone by there. 'Cause I've, you know, I've  
24 been on East Marginal Way so many times.

Type: Phone Call

Participants: Abu Khalid Abdul-Latif  
Robert Childs

1 CHILDS: Well, yeah. That's what I'm saying today. Last night we ended up playing phone  
2 tag. So I sent him a message and told him, uh, I'm trying to call him, he's trying  
3 to call me, we keep missing each other. But he never, he never got back to me,  
4 so. He called me earlier today. And, uh, we were talking. Uh, basically he said,  
5 he just confirmed that he is-- he's willing to come help whenever we bring him  
6 up. So the question is, is when do you want to have him up here?

7 ABDUL-LATIF: Well, you know, I was thinking, I was, I was thinking a little bit today. And, uh,  
8 the thing is-- the thing is, well, we don't have the element of surprise. You know,  
9 and we need to find a way to get that.

10 CHILDS: Why don't we?

11 ABDUL-LATIF: Because, first of all, there's a camera shooting down right at the parking lot. And  
12 there are--

13 CHILDS: Do you know-- Do you know chances are that camera is not monitored? It's just  
14 recording.

15 ABDUL-LATIF: Well we need to make sure of that, you know.

16 CHILDS: There's no way to make-- there's no way to make sure of that unless you can get  
17 inside security.

18 ABDUL-LATIF: Well, you know, there's-- there's that security desk right up front. That's where I  
19 think all the cameras are at.

20 CHILDS: Well that's easy. You know, that's an easy, easy, easy situation.

21 ABDUL-LATIF: You know, plus, you know, the front door is about six to seven seconds away  
22 from when we-- from when we jump out. You know, I mean--

23 CHILDS: Okay.

24 ABDUL-LATIF: And then you got the concrete barriers. So we can't drive up to the door.

1 CHILDS: Right.

2 ABDUL-LATIF: So, I'm only looking-- we're only in need to look for a solution. And that's why I  
3 was suggesting to you yesterday that you just walk up in there, and go up to the  
4 security desk, and just make up something to ask him, you know, kind of lean  
5 over the desk --

6 CHILDS: Oh yeah, I under-- I understand, yeah, I understand that part.

7 ABDUL-LATIF: That way we could see what-- That way, that way we could see, uh, what's going  
8 on back there, you know.

9 CHILDS: Right, 'cause you know, I mean, 'cause that is a good target, no matter what.

10 ABDUL-LATIF: Yeah, yeah. I agree with that. I agree with that. You know, all, all I'm saying is  
11 we should make sure that we have the element of surprise, because we don't  
12 know if he can automatically lock the doors. We don't know if he got a weapon  
13 back there. We don't know what's going on.

14 CHILDS: Wouldn't you-- Wouldn't you think a group of individuals coming up with  
15 weapons would be a surprise in and of itself? That's gonna be an element of  
16 surprise. As you said before, nobody's ever targeted this.

17 ABDUL-LATIF: Yeah. No one's ever, no one's ever targeted this, you know. And I-- and I'm not  
18 trying to, you know, change the-- I'm not trying to flip the script or anything like  
19 that. But it would, it would kind, it would kind of-- it would kind of be pointless,  
20 too, if we rode up there and we all got shot and killed, and we didn't get anybody.  
21 It would be, be-- it would have been pointless. That's all I'm saying.

22 CHILDS: True, true. But, I mean uh, that's what I'm saying. That, I don't think that's going  
23 to happen, you know?

24 ABDUL-LATIF: That's cool. That's cool. Let's make sure it doesn't happen, you know?

1 CHILDS: Okay, so-- Yeah, so like you were saying, I mean, you wanted me to go in. And  
2 that's, that's not a problem. I mean, when do you want that to happen?

3 ABDUL-LATIF: As soon as you got some time. Just maybe just stop by-- maybe just stop by on  
4 your way home from work, or go during your lunch—

5 CHILDS: Well, it's gonna have to be before five, yeah, it's gonna have to be before five,  
6 'cause they don't close-- I mean, they close exactly at five. And, you know,  
7 federal government closes promptly at five.

8 ABDUL-LATIF: (laughs) Yeah. You know, it's kind of funny, too. The government, they're  
9 talking about taking a vacation and shutting down the government. Huh? At a  
10 time-- at a time when they're provoking war with the rest of the world.

11 CHILDS: Right.

12 ABDUL-LATIF: I find that-- I find that-- I find that to be kind of odd. Suppanallah.

13 CHILDS: Okay. Hey, now, now you said you weren't, you weren't flipping the script. But  
14 I just want, I--you know, I want to make sure that you, this is what you're down  
15 for. You're, you, you know I'm not gonna hold it against you if you say, "No,  
16 let's do whatever." But I just want to make sure that, uh, this is what you want,  
17 all the way.

18 ABDUL-LATIF: Akhi, you know, we trying, we trying to do what we can to wake the Muslims up,  
19 to say, look, it's time to defend your religion. All I, all I, all-all I'm saying is let's  
20 make sure that, you know, we don't just run up to the front door and get killed.  
21 That's all I'm saying.

22 CHILDS: Right, I understand, I understand that part. I'm just asking you, okay, if this is  
23 what you want. Do you want to- do you want to go in here, and do you want to  
24 do this as you were saying? Or do you want to-- do you want to call it off? Or,

1 CHILDS: Yeah bandoliers--

2 ABDUL-LATIF: -- they carry their Quran --

3 CHILDS: -- and stuff like that, yeah.

4 ABDUL-LATIF: We need to make sure those are filled up.

5 CHILDS: Easy enough said.

6 ABDUL-LATIF: It'd be—it'd be nice --

7 CHILDS: Easy enough done.

8 ABDUL-LATIF: It'd be nice, man, if we had ten or twelve people. Then we could have stuck with  
9 Fort Lewis, but, you know, we gotta take what we can get.

10 CHILDS: Right.

11 ABDUL-LATIF: You know?

12 CHILDS: All right, I gotta run back up to, uh, south Lake Union --

13 ABDUL-LATIF: Akhi.

14 CHILDS: -- I got to inspect tanks--

15 ABDUL-LATIF: Akhi--

16 CHILDS: -- and then I'll get this to him.

17 ABDUL-LATIF: -- as soon as you get the clips in your hand, you need to call me right away. We  
18 need to hook up right away.

19 CHILDS: Oh, the-the hardware? Of course.

20 ABDUL-LATIF: You know what I'm saying? Don't go to the store. Don't get gas. Don't do  
21 anything. Call me.

22 CHILDS: Well I'll get gas if I gotta get gas to get it down to ya, of course.

23 ABDUL-LATIF: Don't even -- don't do anything. Just come see me.

24 CHILDS: Right. I will. You know that. As soon as I have hardware--

1 ABDUL-LATIF: And you know—  
2 CHILDS: -- you will be the first to uh, to know.  
3 ABDUL-LATIF: And yes, you know, call me, you know, "What's up? How you doing? What's  
4 popping?" Don't call me, "Oh brother, we need to get this going." No don't.  
5 'Cause you never know who I'm with.  
6 CHILDS: Right.  
7 ABDUL-LATIF: And--  
8 CHILDS: Well, you can always give me a code word, too, if uh-- Like if I need to talk to  
9 you about something – if I -- if I need to talk to you about something and you're  
10 with Binta or something, you can always say something that she won't be clue –  
11 that, she'll be clueless about and I'll know that you can't talk about it.  
12 ABDUL-LATIF: Just say, "Hey, look we need to meet." And then we'll hook – or I'll say, "Look  
13 we'll meet at McDonalds in twenty minutes or something."  
14 CHILDS: Okay. We can do that.  
15 ABDUL-LATIF: Because, you know, it ain't just because, you know --  
16 CHILDS: Oh you, oh this brother needs – wants out.  
17 ABDUL-LATIF: Oh!  
18 CHILDS: Look at him.  
19 ABDUL-LATIF: This is for Binta's protection also.  
20 CHILDS: Right, of course. "Plausible Deniability" is the official term.  
21 ABDUL-LATIF: All right. Go ahead, man, 'cause --  
22 CHILDS: All right, brother. Salamu Alaikum.  
23 ABDUL-LATIF: Walaikum As-salam.  
24 CHILDS: Okay, nephew. As-Salamu Alaikum.

## **EXHIBIT 1D5**

Type: Meeting

Participants: Abu Khalid Abdul-Latif  
Robert Childs

1 CHILDS: You know, I hate to, I mean, with, with Walli, with his meds and everything, we  
2 need to, you know-- If we get him up here. And he has no-- he doesn't have his  
3 meds. How long is he gonna last?

4 ABDUL-LATIF: Well he did tell me, man, more than once, that he needed his medication up here.  
5 I'm like, brother, you need to do that.

6 CHILDS: That's not an x-ray, is it?

7 ABDUL-LATIF: This is garbage. This is recycle.

8 CHILDS: Oh, it goes in there, okay.

9 ABDUL-LATIF: Come on, man. I know better than that.

10 CHILDS: Somebody's x-ray.

11 ABDUL-LATIF: But like I told you on the phone earlier, Akhi, there has been many people who  
12 have tried to do things like this and they've failed.

13 CHILDS: Right. I would-- You keep this so you can study it.

14 ABDUL-LATIF: Make copies of it, man. There's a copy machine over there. Just make one copy.

15 CHILDS: Right. Uh, da, da, da, da, yeah right there.

16 (copy machine sounds)

17 ABDUL-LATIF: (inaudible) Okay, yeah. So, okay, so basically, we leave Walli here. And we  
18 don't even have to kill the guards, because he's gonna be there.

19 CHILDS: The guards are gonna be -- you know, the moment you step in, the guards are  
20 gonna pull – they're gonna draw.

21 ABDUL-LATIF: Okay. If they don't draw. Let's just say if they don't draw.

22 CHILDS: You know they're gonna be-- they're gonna be trying pretty good. The moment  
23 they see somebody with weapons.

1 ABDUL-LATIF: Anybody who draws, we take them out. Anybody who doesn't draw, we tell  
2 them, "Stay on the ground." You know what I'm saying. "Don't move." We go  
3 over here, we do our thing, we get out and go. That's it. We're h-- we're here for  
4 one purpose.

5 CHILDS: You know, what if Walli gets overpowered?

6 ABDUL-LATIF: Well we're not gonna be gone that long. We're not going to San Francisco, man--

7 CHILDS: Well you know what I mean. You know what I mean. It can happen in a fla-- in  
8 a moment.

9 ABDUL-LATIF: Well, you know, maybe, uh -- oh, how about this? Maybe he stays here and  
10 guards the area. Then maybe one of us stays right here half-way between the  
11 hallway, and the other one goes in to take care of business, so this, this guy he  
12 can float either way.

13 CHILDS: Okay. Okay. So, pretty much the fastest one that can get back and forth.

14 ABDUL-LATIF: Which would be you.

15 CHILDS: Okay.

16 ABDUL-LATIF: 'Cause I'm, I'm you know, obviously, you know--

17 CHILDS: So that means you would, you would be the one going back to MEPS?

18 ABDUL-LATIF: You'd be going back to MEPS, 'cause you're faster than me--

19 CHILDS: Well you said that as a floater, this is gonna be-- have to be somebody who can  
20 get back and forth fast. Can you, can you run a hundred, and then a hundred, and  
21 then a hundred, and then a hundred.

22 ABDUL-LATIF: I-I can jog fifty and run fifty and run one hundred. You see what I'm saying?

23 CHILDS: Uh, yeah, right--

24 ABDUL-LATIF: Or, or--

1 CHILDS: Yeah, you think you can do that, brother?

2 ABDUL-LATIF: Or I might not have to go and help you over there. Basically, he, uh-- Walli is  
3 watching our back from here. I'm watching your back and his back from here.

4 CHILDS: But nothing's gonna be coming from here, that's the thing. All the, all the--  
5 Anything that's gonna be coming is gonna be coming through that front door.

6 ABDUL-LATIF: That's why we have him right here--

7 CHILDS: Right.

8 ABDUL-LATIF: To guard this. I'm guarding him, and I'm guarding this here. And you go in there  
9 and take care of that. And then we're-- and then you come, and then we'll come  
10 together, and then we'll leave.

11 CHILDS: That's assuming that this hallway connects with this. I mean, now, remember this  
12 one's only ten yards, from the hallway-- about ten yards from the hallway to the  
13 door.

14 ABDUL-LATIF: This is the commander's office.

15 CHILDS: And that's the commander's office.

16 ABDUL-LATIF: Do you know what the commander looks like?

17 CHILDS: No. But, uh, I can identify him by his uniform and rank. He will be in uniform,  
18 that's gonna be the, uh, norm. You just look for the bird or you look for the star.  
19 Look for any gold or silver up on the shoulder, and it's an officer.

20 ABDUL-LATIF: Wali-- Wali stays here, or I can even come back to the, to the corner.

21 CHILDS: Presuming this hallway connects.

22 ABDUL-LATIF: Presuming this hallway connects, to guard you and him. Then we go take care of  
23 that. And then we just get out of there. Maybe the commander will be over here.

24

1 CHILDS: Yeah, I'm sure there'll be uniformed people in there. And it's quite possible he  
2 will be.

3 ABDUL-LATIF: Exact-- Especially in the morning.

4 CHILDS: Um-hum.

5 ABDUL-LATIF: Figure oh, man, you know, it's Monday morning.

6 CHILDS: Giving everyone the spiel.

7 ABDUL-LATIF: Yeah, you know, we need to do this right. So, he's here. I'll follow you here. I  
8 got your back right outside the door. Go in there and take care of that. And I--  
9 and I'll be watching him in the meanwhile.

10 CHILDS: Okay.

11 ABDUL-LATIF: Because somebody has to watch him up here.

12 CHILDS: Okay. So now, let's, okay, so we got this laid out.

13 ABDUL-LATIF: Right.

14 CHILDS: So if this-- stick with this plan, alright--

15 ABDUL-LATIF: But how, but how does that work sound?

16 CHILDS: I-- it sounds very feasible, very feasible, depending upon what we have.

17 ABDUL-LATIF: What do you mean?

18 CHILDS: I know we-- we're gonna have automatic weapons. Do you-- I mean you--you've  
19 went RPG, grenade, flash bang, grenade, RPG. What --

20 ABDUL-LATIF: I'm just throw-- I been throwing ideas out. But since -- but since the assistant  
21 commander's offices is way up here--

22 CHILDS: Ten, it's only like ten-- Like I said, from this door -- ignore this hallway for the  
23 moment, since we don't know. Okay. We don't know if it connects, if it goes all  
24 the way into the back to the loading docks or anything like that. Or it could just

1 be-- it could connect to MEPS at, on this end, but, you know, we don't know.

2 ABDUL-LATIF: Did you go to the door of MEPS?

3 CHILDS: I went to the door. But I didn't really-- it's, it's kind of frosted glass, so--

4 ABDUL-LATIF: Frosted glass. Oh, yeah, frosted glass.

5 CHILDS: Yeah.

6 ABDUL-LATIF: But, but there's, but there's a door. You twist it, you open it and go in.

7 CHILDS: Oh, yeah.

8 ABDUL-LATIF: But you went, but you went around that way though.

9 CHILDS: Right. Because this hallway has "Do not enter." I obviously don't want to get

10 gunned down doing intel.

11 ABDUL-LATIF: Because we could-- because we could take care of the commander. Maybe we

12 could toss a grenade down toward his door and it'd just blow off the door.

13 CHILDS: So you'd want, uh, you don't want flash bang for That, then.

14 ABDUL-LATIF: I'm tryin-- because I'm trying to do something where we could complete our

15 mission without wasting time.

16 CHILDS: Well, I mean, grenades will-- grenades will work like that. But, this is a flash

17 bang. Flash-- no, I-I did some research. I did some research. Okay, a flash bang

18 does not put out smoke. A flash bang flashes and then bangs. It's to blind and

19 deafen. It's like a stun grenade. You're thinking like tear gas canisters or

20 something like that. That's what puts out the smoke. Now, a fragmentation

21 grenade does that. It sends out shrapnel, and it'll kill. Flash bang won't kill.

22 ABDUL-LATIF: How far is this from this? If-- when you come around this way, do you see

23 anything? When you come down this way?

1 CHILDS: I didn't really notice. I wasn't really looking straight there. I was, you know, I  
2 was just looking on the sides.

3 ABDUL-LATIF: I mean, I imagine that there is a hallway there.

4 CHILDS: It would seem-- it would seem that way, that it connects.

5

6 ABDUL-LATIF: Especially for a fire hazard. What are you gonna do, you gonna go all the way  
7 out the--

8 CHILDS: Right. And it probably, it probably most likely is. I didn't, uh, I didn't really pay  
9 that much attention. I was looking at this stuff.

10 ABDUL-LATIF: No, I mean, what I'm saying is I'm ov-- if I'm over here, and then there's a fire--

11 CHILDS: But, but this hallway, now the MEPS door, like I said, is about ten yards off of  
12 this corner. The hallway continues on. I only went to there and then turned  
13 around and left. So it's-- I mean, most likely it connects or anything. I didn't  
14 really pay that mu-- because it was so-- you're still talking another fifty yards  
15 away.

16 ABDUL-LATIF: And we don't want to guess either, Akhi, 'cause we not gonna get a second  
17 chance at this.

18 CHILDS: Right, so let, let's just stick with what we know, what we see. I mean, stick with  
19 the plan. Wali there guarding, okay. And we can take care of the rest.

20 ABDUL-LATIF: Okay, um. But how far-- should I stay on this corner to guard the hallway and  
21 Wali?

22 CHILDS: Could do that, I mean, if you can fire 75 yards, or you're gonna have to run to fire  
23 to get closer. Or if you could fire a hundred yards. I can't even fire a hundred  
24 yards. I-I mean, with the right weapon, sure. But it's been so long since I've shot

1 ABDUL-LATIF: Right.

2 CHILDS: You throw a couple of them in there, it's even worse.

3 ABDUL-LATIF: Alright.

4 CHILDS: And remember, like I said, these are cubicles. So they're not single offices,

5 they're cubicles.

6 ABDUL-LATIF: Is there any way to cut between the cubicles to get here?

7 CHILDS: I don't know. I didn't try. I was not gonna go into no offices.

8 ABDUL-LATIF: Okay, um--

9 CHILDS: That would be suicide before it started.

10 ABDUL-LATIF: All right. Basically, we can get the grenades. And we can use them as a

11 diversion while yet serving our purpose.

12 CHILDS: Okay. So how many apiece?

13 ABDUL-LATIF: Grenades, I think, will prevent people who decide that they want to be heroes at

14 the end coming back from this far back. If we're all-- if we're running over here,

15 and we're about to cut the corner, somebody stick they're head out, and we throw

16 a grenade, boom, they go right back in their office or something.

17 CHILDS: If they, if they have a head left.

18 ABDUL-LATIF: Basically, we can use the grenades to prevent people from coming out and trying

19 to be last minute heroes, and we can get out. So basically, you know--

20 CHILDS: So how many you think would be good?

21 ABDUL-LATIF: Maybe ten. Let's just get ten.

22 CHILDS: Ten total.

23 ABDUL-LATIF: Yeah, basically you go in. You take care of business. I got your -- I got your

24 back right here to prevent people from coming in behind you trying to, trying to

1 attack you. I'm at -- right there at the commander's office.

2 CHILDS: Okay.

3 ABDUL-LATIF: Then, you come running out. When you come running out, I'll drop your grenade  
4 right there.

5 CHILDS: Okay.

6 ABDUL-LATIF: That will prevent heroes from over here. And then I'll pop another grenade half-  
7 way down the hallway. And drop it. Boom. Pop another grenade, boom, drop it.  
8 And Walli is already running out the door to clear the, clear the way of the  
9 parking lot.

10 CHILDS: Okay. So leave the car running, or no?

11 ABDUL-LATIF: It mi-- it might make sense. But, if we're gonna be in there for five minutes,  
12 somebody might, "Whoa, man, what's-what's this?" You know?

13 CHILDS: Do you think so? Do you know how quick that, uh-- ah, I don't know. That,  
14 that, that's your call on that, which way to do it.

15 ABDUL-LATIF: I'm not gonna take, I'm not gonna, I'm not gonna call that one on my own.

16 CHILDS: So we wait 'til Wali is up here, and we figure that part out.

17 ABDUL-LATIF: Yeah. I'm-- It would be nice if we had a fourth person just sitting in the car,  
18 man.

19 CHILDS: Think. I mean, I don't know anyone. Think if you, if you know anyone.

20 ABDUL-LATIF: 'Cause we need a driver. And we got-- we got a little time left to figure it out.

21 CHILDS: Okay.

22 ABDUL-LATIF: A driver—

23 CHILDS: Well, let's not take too -- let's not take too much on the (inaudible).

24 ABDUL-LATIF: Exactly, exactly. I mean, we don't have to have a driver.

1 ABDUL-LATIF: -- we go in first, and we uh--

2 CHILDS: One of us take point, one of us take flank.

3 ABDUL-LATIF: And then uh, basically we can just work our way up here. You know, I can stop  
4 and hold it down here, and then come over there, and we just follow each other.

5 MUJADIDH: My thing is I want more of the action. It seems like y'all two getting all the  
6 action, man.

7 CHILDS: See, didn't I tell you? He's not gonna be happy right there.

8 MUJADIDH: Well, okay. I can just post up and when the police get there I just, "You'll never  
9 take me alive, coppers!" Ba-da-da-da-da-da-da-da. (laughs)

10 ABDUL-LATIF: Well, you know, how much are the grenades you said?

11 CHILDS: I believe they're--

12 MUJADIDH: 'Cause we could just throw grenades at 'em, man.

13 CHILDS: 50 apiece.

14 ABDUL-LATIF: If we can get to the upper floor--

15 CHILDS: 50 a piece, rough. I think that's what it was.

16 MUJADIDH: We could stand outside, could use the truck as a barricade and just throw  
17 grenades at 'em.

18 ABDUL-LATIF: No, Akhi, look. Because where the fr-- where the front door is to the truck, we're  
19 not having any access to the vehicles at all.

20 CHILDS: Mm-mm. Once we're in, we're in.

21 ABDUL-LATIF: Once we're in, that's it. Because they have-- they have like a concrete uh, layout.  
22 And then they have the concrete uh, things, that were made--

23 CHILDS: Like the big--

24 ABDUL-LATIF: -- like even his truck won't be able to go through it.

1 CHILDS: It's those big, you know, like in the- on the freeways, when they're-when they're  
2 doing road construction and-

3 MUJADIDH: So, barricades.

4 CHILDS: -they put those big cinder- cinderblocks. Those big giant things. They weigh  
5 about a ton, ton and a half a piece. They have to put 'em in with cranes. It's  
6 pretty much what it is except they're nicer looking.

7 ABDUL-LATIF: They put them there for security purposes, basically.

8 CHILDS: Yep.

9 ABDUL-LATIF: They look good.

10 CHILDS: It's just low enough that a vehicle can't get through, but it's wide enough that it  
11 doesn't look like it's security.

12 ABDUL-LATIF: Yeah, that's true.

13 CHILDS: A motorcycle'd get through it.

14 ABDUL-LATIF: You'll have to talk to my dad about that, man. (inaudible) Yeah, but uh-- so  
15 basically, you know, we need to make sure we have everything we-- everything  
16 with us.

17 CHILDS: Mm-hmm.

18 ABDUL-LATIF: I have a big green, uh, bag there we can just carry everything inside.

19 CHILDS: Right. Well, you also talking about those flak vests. I mean, yeah, the  
20 bulletproof vests, but over top of that, the flak vests, where you can hold all your  
21 clips.

22 ABDUL-LATIF: Yeah, we can do that, the clips and the grenades, then we have our AKs and stuff.

23 CHILDS: AKs?

24 ABDUL-LATIF: Whatever. You know what I mean. AK, BK, CK, whatever.

1 CHILDS: The same thing these guys are using.

2 ABDUL-LATIF: Yeah.

3 CHILDS: And that's what I was telling him. I was like, "What would be better except using

4 American made weapons with American made bullets on American made

5 terrorists?"

6 ABDUL-LATIF: Or how about this? How about we enter. We throw a grenade in there. And we

7 run through and we throw a grenade in here, and then we just keep going.

8 MUJADIDH: Yeah.

9 ABDUL-LATIF: That way, we don't have to worry about securing spots. One of us-- one of us

10 kind of stay behind for a second. Make sure that you stay far -- far enough away

11 from the blast but you stay close enough to make sure no one survives it.

12 CHILDS: Stay behind the wall, you should be okay. As long as you throw it-- as long as

13 you throw the grenade center-- into the center of the room or beyond. Then

14 whoever's on this side of the wall will be okay. I mean, as long as you're not up

15 against the wall.

16 ABDUL-LATIF: But basically, beyond here, we're not really gonna-- we're not really gonna be

17 able to plan. We just know we have to get behind here--

18 CHILDS: Mm-hmm.

19 ABDUL-LATIF: -- and just hit everybody we see. 'Cause we don't know who's gonna be where at

20 what particular moment. The commander could be here. He could be on the

21 toilet, you know, whatever. We don't know.

22 CHILDS: Right.

23 ABDUL-LATIF: So we just hit who see, you know. And we go up in here. We take everybody

24 out here and we run-run back out. And then once he gets here, we throw a

1                   grenade here to prevent anyone from here following us. And we go from here,  
2                   throw a-- throw maybe one or two grenades even to prevent people from  
3                   following us out. And then, you know, if we feel like we need to, we go upstairs.  
4                   If not, you know, we do what we gotta do. 'Cause by the-- by then, you know,  
5                   the po-po gonna be outside. We gotta figure out what we gonna do. We can just  
6                   try to run out and go out in a blaze of glory or you know, or whatever, man. But I  
7                   think what we do from beyond that door is something we need to, we need to  
8                   agree on.

9     CHILDS:       Mm-hmm.

10    MUJADIDH:    Yeah.

11    CHILDS:       Mm-hmm.

12    ABDUL-LATIF: This ain't something just because, you know, you guys appointed me leader, I  
13                   don't want-- this is not a decision I wanna make on my own.

14    CHILDS:       Well, you already know, I'm in this to be shaheed.

15    MUJADIDH:    Yeah.

16    CHILDS:       I mean, I didn't look-- I didn't look at an out.

17    ABDUL-LATIF: I'm-I'm not in this to be shahid, either but, again, it goes back--

18    CHILDS:       You're not in this to be shahid, huh?

19    ABDUL-LATIF: Even in--even in an administration-- even when there's a, an administration,  
20                   everybody has to agree on what's going on.

21    CHILDS:       Right. But I mean, I'm telling you right now. For myself, when I came in on this,  
22                   I did not see ever a opportunity for an out. So to me, the out still does not exist.

23    ABDUL-LATIF: Then why are you coming to me talking about, "Oh, we could probably make it  
24                   out, man."

1 CHILDS: I wanted to-- I-- because you wanted intel, so I had to give you proper intel.  
2 That was my job, right? That was my job, get intel.  
3 ABDUL-LATIF: This guy here, "We might get out."  
4 CHILDS: I said there's a-- there's a chance. There's the opportunity. For me, personally, it  
5 doesn't exist. I don't intend on getting an out.  
6 ABDUL-LATIF: Look, even if we get out, even if we were to get out --  
7 CHILDS: Where we gonna go?  
8 ABDUL-LATIF: To the gas station.  
9 MUJADIDH: Get some cocaine.  
10 ABDUL-LATIF: And get some cocaine, get a match and blow up a gas station.  
11 CHILDS: No I don't wanna jus-- I mean, 'cause you know what? What is better: getting in  
12 and killing everybody, killing-killing all the kafirun, getting out and surviving; or  
13 killing all the kafirun and then still being shahid? Which is better?  
14 MUJADIDH: Killing all the kaffirun and being shahid.  
15 ABDUL-LATIF: Basically we gonna-  
16 CHILDS: 'Cause you know we gonna be running after that for the rest of our lives.  
17 ABDUL-LATIF: We, we-we come up in here. We attack - we get everybody inside. Once  
18 everybody's inside and we're ready to proceed, we throw the grenade in there.  
19 Move up, throw the grenade in here. Have one of us wait here on the corner to  
20 make sure nobody comes out.  
21 CHILDS: Mm-hmm.  
22 ABDUL-LATIF: The other two keep going. I'll come right here. You go in there and take care of  
23 everything. When you get here, we drop your grenade here. We get half-way  
24 down the hallway. We drop the grenade down here. We can throw one in the

1 CHILDS: Um, I don't know that one, but anyhow--

2 ABDUL-LATIF: Oh, oh, oh, oh, okay, okay, okay. So there's one, like for him, one main door--

3 CHILDS: Right.

4 ABDUL-LATIF: --and inside is an office and cubicles.

5 CHILDS: It's just a bunch of cubicles.

6 ABDUL-LATIF: Yeah, but the cubicles aren't out. There's a wall that surrounds the cubicles. So

7 the cubicles are in an office?

8 CHILDS: Yes.

9 ABDUL-LATIF: Okay, so where is that door?

10 CHILDS: They're-they're sporadic. There's, like three, four, four doors on this wall and

11 two doors on this wall.

12 ABDUL-LATIF: So basically we take everything-- we take everything, uh, here. And that's why--

13 that's why we need to stand guard in the hallway. Anybody stick their head

14 out—

15 CHILDS: Right.

16 ABDUL-LATIF: -- blow it, blow it off.

17 CHILDS: Okay.

18 ABDUL-LATIF: You know what I'm saying? If they don't stick their head out, you know, we can

19 leave them alone.

20 MUJADIDH: All right, first thing -- first thing's first. When you throw the grenade, you want

21 to drop flat to the ground.

22 CHILDS: Uh, not necessarily.

23 ABDUL-LATIF: You can run, you can run (inaudible) we can run.

24 CHILDS: Not necessarily. That's why I was saying, it depends on how— the—that's why I

1 ABDUL-LATIF: Maybe we could turn right at that light up there, at the other side of the building.

2 Will you stop trying to hit on that girl and go?

3 CHILDS: Are you serious? (laughs)

4 ABDUL-LATIF: She don't—she don't want you, man.

5 CHILDS: That must be somebody she works with because why else -- I mean, somebody

6 standing at a crosswalk down here, this ain't no High-, uh, Highway 99. Well, I

7 guess it is, but —

8 ABDUL-LATIF: I mean, we could do this one of two ways. We could just jump out the car with

9 everything and run up there, or we could just drive the truck right up to the front

10 door and run in, give them less time to react.

11 CHILDS: How you gonna drive to the front door? Got those blocks.

12 ABDUL-LATIF: We can drive right through the front right there. Run right over them trees and

13 that fence?

14 CHILDS: Oh, right there?

15 ABDUL-LATIF: Yeah. Just squeeze in there.

16 CHILDS: Possible, but I-I don't know. I mean, that seems a little uh --

17 ABDUL-LATIF: Seems a little uh overdone, huh?

18 CHILDS: I mean, is that regular fencing, cyclone fence?

19 ABDUL-LATIF: Yeah, just -- That little black fence just right through the front. Be bumpy over

20 the railroad tracks, but --

21 CHILDS: Yeah, I don't know how this thing would do.

22 ABDUL-LATIF: We got a playground here, too?

23 CHILDS: I wonder -- I don't think the whole building belongs to them, then. It's probably

24 just that front portion.

1 ABDUL-LATIF: Well we should still take a look.

2 CHILDS: Okay. This is not Diagonal, though.

3 ABDUL-LATIF: It's all right.

4 CHILDS: So this is something entirely different.

5 ABDUL-LATIF: Where is Diagonal? That's the question.

6 CHILDS: I think Diagonal is on the other side.

7 ABDUL-LATIF: Bureau, Bureau, Bureau of Indian Affairs.

8 CHILDS: Yeah, got no beef against them. They, uh -- they have their own problems.

9 ABDUL-LATIF: They have their own problems with the English that came in and pillaged and  
10 raped their women and then say they celebrate it on Thanksgiving.

11 CHILDS: And they still celebrate it today. Even they do.

12 ABDUL-LATIF: They said, "Hey, thank you for taking our land from us and our dignity and our  
13 gold and our resources."

14 CHILDS: Yeah, I think Diagonal is right off of there. Not that light, but the next light.

15 ABDUL-LATIF: Take a look. I got to go back and get the car before they notice it's been sitting  
16 there. I paid like \$200 a few months ago to get it out of impound.

17 CHILDS: I mean, do we need to look at the, the back or anything?

18 ABDUL-LATIF: Well, if we're going right through the front --

19 CHILDS: Right. So --

20 ABDUL-LATIF: I mean, if we had ten people with us maybe, yeah, you know.

21 CHILDS: Well, that's why I'm saying. Do we need to look at the back right now?

22 ABDUL-LATIF: No, not right now.

23 CHILDS: If it's just-- If it's just us --

24 ABDUL-LATIF: If it's just us --

## **EXHIBIT 1D5**

1 CHILDS: Alright? This one over here in the back, it's like a hundred yards. And all it is is  
2 just offices with cubicles. You just- you can see through the windows, and  
3 there's just cubicles and stuff.

4 ABDUL-LATIF: So, so uh, the, so the security guard desk, what's behind there?

5 CHILDS: Nothing. There's no monitors. They're not watching cameras or anything.

6 ABDUL-LATIF: Okay. That, that was one of my concerns.

7 CHILDS: There's one hall here. I don't know what it is. They have a "Do Not Enter."  
8 Obviously I'm not trying to go in there. But where you, where you come around,  
9 it's only maybe ten yards into the actual MEPS, into the big processing whatever  
10 it is that they do.

11 ABDUL-LATIF: Okay. So where all the recruits go, do they go into that back office?

12 CHILDS: Yeah. They all go back in here, or they're in the cafeteria.

13 ABDUL-LATIF: They, obviously, they-they weren't there today.

14 CHILDS: No. I saw, I saw quite a few today.

15 ABDUL-LATIF: Because you said the main--

16 CHILDS: I said the main. I didn't say there wasn't any. I saw people in and out.

17 ABDUL-LATIF: So they do their (inaudible)

18 CHILDS: They got their—they got their haircuts and all that.

19 ABDUL-LATIF: Oh, wow. I didn't think they got their, uh, haircuts 'til they got to boot camp.

20 CHILDS: I don't know. Maybe they, maybe they were just military in plain clothes. I don't  
21 know. But they all had their hairs cut.

22 ABDUL-LATIF: Did you see any drill sergeants or anything like that or anything --?

23 CHILDS: I saw, I saw uniformed people, but I didn't really notice, uh—take, take much  
24 look at rank or anything. But I saw the, uh, the office. It was marked, uh,

1 command-- battalion commander.

2 ABDUL-LATIF: Hmm. I'm not too familiar with what that means.

3 CHILDS: That means that's the big man. Battalion commander. That's usually a colonel or

4 a general.

5 ABDUL-LATIF: Man, wow. He'd have to be some-- he'd have to be somebody that'd be a

6 main target for us.

7 CHILDS: He's somebody that would be important.

8 ABDUL-LATIF: And he's somebody, man, that would get the attention of the kuffar.

9 CHILDS: Speaking of -- I was thinking about this. I mean, yeah, there's a chance we can

10 get out alive. Okay. Like I said, there's no other weapons there. There's two

11 security guards, okay. And they're not, uh-- they probably never seen live fire in

12 their life. They're those rent-a-cops.

13 ABDUL-LATIF: Maybe they, uh, were in World War II and you know, they don't have the prop

14 guns --

15 CHILDS: And even if they, even if they did see live fire -- they don't have, they don't have

16 any kind of reaction time, I can tell (inaudible) something.

17 ABDUL-LATIF: Oh, that's good. Man, I mean, been up here for so long, man.

18 CHILDS: But, um, but the thing is though, is what I was thinking, we get in there, whether

19 we die, whether we live, we, uh-- how they gonna know who did it and why?

20 ABDUL-LATIF: Well, see, that's why—that's why if, if we were to attempt to get out -- get out of

21 there alive, we can't roll up there in your truck. Because, the reason for that is,

22 'cause they already have it on video camera up there.

23 CHILDS: Right, okay.
